Planned uses	Public Schools		Private/Nonpublic Schools	
	Amount (\$)	Students Served	Amount (\$)	Students Served
10. Community service programs that use qualified school personnel to train and mobilize young people to measurably strengthen their communities through nonviolence, responsibility, compassion, respect, and moral courage. (Must tie to curriculum.)				
11. Activities to promote consumer, economic, and personal finance education, such as disseminating information on and encouraging use of the best practices for teaching the basic principles of economics and promoting the concept of achieving financial literacy through the teaching of personal financial management skills (including the basic principles involved with earning, spending, saving, and investing).				
12. Activities to promote, implement, or expand public school choice.	0			
13. Programs to hire and support school nurses.				
14. Expansion and improvement of school-based mental health services, including early				

identification of drug use and violence, assessment, and direct individual or group counseling services provided to students, parents, and school personnel by qualified school-based mental health services personnel.

15. Alternative educational programs for those students who have been expelled or suspended from their regular educational setting, including programs to assist students to reenter the regular educational setting upon return from treatment or alternative educational programs.

16. Programs to establish or enhance prekindergarten programs for children.

17. Academic intervention programs that are operated jointly with community-based organizations and that support academic enrichment, and counseling programs conducted during the school day (including during extended school day or extended school year programs), for students most at risk of not meeting challenging State academic achievement standards or not completing secondary school.

18. Programs for cardiopulmonary resuscitation (CPR) training in schools.
